ADVOCATE ASSISTANCE

Date:

Dear Parent/Guardian,

We have set up an intervention process to support students who are new to our program or who may be doing poorly in our point system. Our intent is to give the student incentive to prioritize attending and doing well in school.

Being placed on Advocate Conditions is the first step in this intervention process. If a student breaks Advocate Conditions he or she will be put on Staff Assistance and you will be notified. We hope this intervention will be a positive measure in turning the student's behavior around.
